Seeding a Harvest of Believers

And sow fields and plant vineyards, And gather a fruitful harvest. **Psalm 107:37**

Our GGH Sisters, Have You Been On Bended Knees Lately?

As we enter this beautiful season called fall (autumn), we pray those "Son" filled days of summer blessed your life as it did ours.

OUR GARDENS

Two weeks ago, Evette did something she disliked, but knew it was quite necessary. She got on bended knees and spent a few hours pulling up weeds from her garden. You see, she had not done so in many weeks/months and to say the least, her garden was a BIG mess. It was quite out of control. Weeds of all kinds were abounding. You couldn't see the beauty. How did it get so bad? Some weeds had grown as high as two feet tall. And worst yet, they were choking the life out of some of her treasured flowers. Not surprisingly, some flowers had only grown a few inches since the time of planting. They had failed to reach their potential. They had been dwarfed and derailed! Isn't that just like us when we allow weeds of life (i.e., *fear, anxiety, unforgiveness, depression, anger, critical tongues, judgmental hearts, selfishness, complacency, clutter, etc.*) to grow unattended in our lives?

BENEFIT EVENT

Two week ago we held a benefit event. It was as you may be aware, a 70s themed Family Fun Night. Many came dressed in 70s attire. We praise God for a spectacular evening of song, dance and fellowship. Positive reviews keep coming in. (see photos at the website)

HUMANITARIAN EFFORT

Stay tuned for more news about an education initiative for children in Liberia.

Monthly Scripture:

Deuteronomy 6:4-5

"4 ...the LORD our God is one. 5 Love the LORD your God with all your heart, with all your soul, and with all your strength."

Lord of the Harvest

Have you gotten lazy about tending to the weeds in your garden? Have you allowed the weeds you tossed into the trashcan and waged war against, (*at Girls Going Higher, April 2014*) to creep back in and take residence in the garden of your life?

If so, it's time to uproot and toss them AGAIN in the trash! Sister, it's time to cleanse and purify! It's time to invite the master gardener back in to tend his field. Remember, the *Lord of the Harvest* is always ready to care for and tend

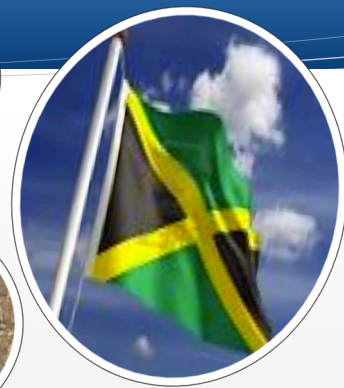

to our needs; but only if we ALLOW him to do so. Will you allow him?

If you haven't yet read the book, *Hinds Feet on High Places* by Hannah Hurnard, we encourage you to do so. "Wow, Wow, and Wow" are our reviews. HE MAKES our feet like hinds' feet and ENABLES us to stand upon our high places. (Hab. 3:19). Where HE enables you to stand, blessings abound. Give HIM those feet and stand tall sisters!

We love you and look forward to connecting with you soon. Visit us at www.faithseedersministries.org. We've updated our website recently. You may also connect with us on Facebook.

Shalom and Blessings,
Evette and Lesa

Ministry News...continued

EBOLA SUPPORT FaithSeeders recently sent a suitcase full of Personal Protective Equipment items to Liberia through the *More Than Me* organization in late August. Most of the PPEs (Lysol, hand sanitizers, masks, etc.) were sent primarily to the West Point Area of Monrovia, which is a slum area, ridden with Ebola. Also see *our website for an alarming video* about the spread of Ebola.

PRAYER REQUESTS We covet your prayers for our upcoming fall activities, 2015 initiatives, including our Jamaica Missions trip and of course the next GGH getaway. And YES, you will be hearing something shortly, probably an announcement in our next monthly email. We also have some new initiatives that God has laid on our hearts, so stay tuned.
